**WINWARD**  
ACADEMY

**Dr. Jennifer Winward** has been widely recognized for her academic success, published research, and service efforts with awards from the President of the United States, the California State Assembly, Rotary International, the Marin County School Administrator Association, the American Psychological Association, and the National Science Foundation.

## About Winward Academy

Winward Academy® is one of the world's leading innovators in the online education space, providing web-based academic support that enhances students' knowledge, confidence, and competitiveness in middle and high school academics and in college applications. Winward Academy helps thousands of students every year by providing personalized, comprehensive test preparation and extensive math curriculum support. The learning platform honors over 40 years of education and cognitive psychology research, incorporating proven techniques that promote effective learning.

Winward Academy is best known for partnering with competitive, esteemed high schools, where its content is either integrated into the classroom curriculum or provided as an additional resource to maximize students' success and growth. Winward Academy also has a proud tradition of partnering with foundations and charities to promote its philanthropic mission of filling a critical void in access to quality teaching resources.

Winward Academy's unmatched reputation is wholly attributable to its students' exceptional success and to the trust earned among students, parents, and schools around the world. Winward Academy helps students learn more and be more.

## About the Founder

Dr. Jennifer Winward earned her Ph.D. with a dual emphasis in Neuroscience and Developmental Neuropsychology from University of California, San Diego. She is a member of Phi Beta Kappa and graduated summa cum laude with highest distinction honors. She is a distinguished teaching professor and renowned 18-year veteran of high school tutoring. With her extensive expertise in the fields of adolescent brain development and learning, she is frequently invited to lead professional development training for teachers and college counselors and to present to families at schools and libraries.

Dr. Winward took her experience and her passion for teaching to create Winward Academy, an effective, personalized, and fun online tutoring platform that mixes technology with the personal touch that comes with having a teacher in your corner.
