Quantitative & Qualitative Research

Improved Topic Understanding

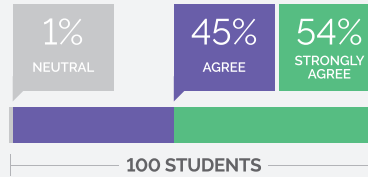

Statistically significant finding ($p < .001$) that students self-report an increase in understanding of a topic as a result of watching a Winward Academy lesson.

"I learned more in 10 minutes with Winward Academy than I learned all semester in class."

"This program actually made me feel smart as I watched, and I was able to follow along."

"I love the pace of the lesson; no rushing, it makes it so easy for me to comprehend. I can pause, rewind, and adjust the speed when I need to."

Unparalleled Lesson Quality

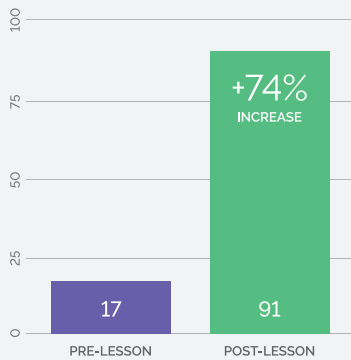

100 students rated the clarity and quality of Winward Academy lessons using a scale from 1 (strongly disagree) to 5 (strongly agree).

"The lesson is extremely useful and more effective than in class. Very detailed and friendly."

"I loved how informative and engaging it was. It felt like the tutor was right there with me."

"There are no expectations of what you should know before you start. All is explained step-by-step, and I feel more comfortable going through the lesson."

Increase to Baseline Knowledge

Students completed pre- and post-lesson assessments to examine any changes after watching a lesson. Students showed a 74% increase in their question accuracy ($p < .001$).

"These videos made me confident of what I was doing and I actually learned something."

"The amount of practice problems helped solidify the concept."

"The tricks taught in the lesson work perfectly and make it easy to remember."

Recommended Highly Among Friends

99 of 100 students highly recommend Winward Academy to friends.

"I would recommend this program for people who want to learn on their own pace and time."

"It was the perfect platform to learn from. Way better than anything I've ever done online before."

"This program is amazing! I like how I can buy just what I need."

Testimonials

"The program Jennifer has created is second to none; she is professional, relatable, and her incredible comprehension of the test materials enabled me to tailor her platform directly to my skill set. From strengthening core skills to understanding testing strategy, her program is comprehensive and gave me the confidence needed to achieve my target test scores."

KIT B.

University of Southern California, Class of 2011

"I can honestly say that Jennifer is the best tutor I have ever come across. Whether it is math, science, writing, or reading, she has it covered. If you want to improve your grades and your mind, use Winward Academy."

WILL S.

UC Santa Barbara, Class of 2017

"Your little tricks, annotations, opening ticklers, and requests that formulas be rewritten at the start of problems all stood out to me and were models of excellent teaching in my eyes. Really, really well done!!!"

DONNA S.

20-year veteran math teacher
