**Meet Your Amazing Tutor**

Jennifer Winward, Ph.D.

Jennifer is a distinguished 18-year veteran of high school tutoring and a renowned teaching professor at University of California, San Diego. Jennifer started Winward Academy to make exceptional tutoring available to all students. Her competitively priced lessons fill a critical void and illustrate her personal passion for life-long learning.

We are committed to education for all students.

Winward Academy was born out of a love of learning, and we are committed to helping bridge our country's opportunity gap by making the best tutoring resources more accessible and more affordable. We believe all students deserve access to quality teaching, and our charitable programs are designed to deliver just that. ### You're at the Center of Every Lesson

Every video lesson is designed meticulously and taught using a picture-in-picture format, so you can focus on material as Jennifer emphasizes key points.

### Strategies to Help You Learn

Gain deeper insight with our video lessons as Jennifer highlights common mistakes and how to best avoid them.

### Supportive Feedback on Every Answer

We don't stop with right or wrong. When you receive positive reinforcement for correct answers and guidance on how to fix mistakes, your fundamental understanding of core concepts soars, right along with your confidence.

### Get Help Deciding Where to Focus

Our free diagnostic exams determine your strengths and weaknesses, so you can learn efficiently and only pay for what you need.

### Never Get Stuck

A video explanation to every practice question is just a click away.

### Study the Right Material

Be confident in knowing that all of our standardized test prep practice questions are based on real ACT & SAT exams.

Experience online test prep and math tutoring designed to instill a passion for life-long learning.

# Learning for Every Student

When it comes to the ACT & SAT, math class, and college preparation, we offer more instruction and practice questions than our competitors – and at a lower cost.

### Individual Lessons
